

Real Sentencing Reform Requires

1. Reclassify

all low-level drug possession as a misdemeanor.

Would redirect **\$58.8 million**

2. Retroactively

apply reclassification to include communities over-targeted by past drug wars.

3. Reform

the probation-to-prison pipeline for Ohioans who violate probation in ways that are not crimes.

Would redirect **\$87.9 million**

4. Reduce

sentences for Ohioans who participate in educational, behavioral and treatment programs in prison.

Would redirect **\$79.4 million**

5. Reemploy

Ohioans by reducing job barriers for those who've served their time.

Ohio would save **\$226.1 million** that could be reinvested in **our communities.**

Let's make sure **OH Senate Bill 3** leads to real reform.
